

Greetings YMCA Families!

We are so excited to meet you all and your campers! Returning families, we are so excited to see you all again! A few things have changed about this year's Achieve summer Camp. First, camper drop off and pick up will be held at the south side door by the handicap parking lot. We are also working on making a "drop and go" lane for parents to check in at their cars! Though we recommend coming to the door on your family's first day to get to know us and the space your friend will be in!

Campers will be doing a variety of activities this summer from a color run, the science behind Pixar, and a whole week dedicated to getting soaked! For our campers to be fully prepared when showing up to come, we ask that you send them with a morning snack, lunch, afternoon snack, water bottle, and labeled sunscreen. On swim days we ask for your camper(s) to come with their swimsuit on, and their day clothes on top.

A bit about the Staff:

My name is Paige, and I am the site supervisor for Achieve Academy OST and will be overseeing this year's summer camp. I have been working with the YMCA for five years now, but this will be my first time running a summer camp so please be patient with me! Also, I am a big advocator for positivity, mental health and creating a space for all in the program!

Ms. Josie is another staff you will see on site. She is currently studying to be a teacher and loves to interact with campers. She also loves pink and finding new music.

Ms. Carmen will also be returning to Achieve this year for summer camp and is super stocked. She is coming into camp with one specific goal in mind, and that is to develop relationships with all campers and families! She is a lover of animals and is bilingual!

If you have any questions for me about how camp is run/ set up or more about the staff please reach out at (720) 796-9793!
