

Hello,

As we gear up for another fantastic year at the YMCA Downtown location, I wanted to take a moment to introduce our amazing team to everyone.

For those who may not know me yet, I am Kewhan Dickerson, and I am thrilled to be entering my 11th year with the YMCA, and my 6th year as a Site Supervisor at our downtown location. It has been an incredible journey so far, and I am looking forward to another successful year working alongside such dedicated and talented individuals.

I am pleased to introduce some of our outstanding staff members who play a crucial role in making summer camp run smoothly. Raelee will be starting her second year with us, bringing her passion and dedication to our team. Jazz, who is entering her 3rd year, continues to impress us with her hard work and commitment. Tamisha will be taking on the role of before care staff for her second year downtown, and we are lucky to have her expertise and warmth. Lastly, Kemani, who will be entering his 4th year, has been an invaluable member of our team, and we are grateful for his continued dedication.

I am confident in this incredible team!

Here's to a successful summer ahead!

Kewhan
