

Welcome to the 2024 Summer Y Camp at Elkhart Elementary. May this summer be yet another round of wonderful memories for your child to reflect on.

For those of you who have attended a Y camp before: Welcome back! For those of you new to Y Camp this year, welcome to a week of safe and fun adventure. Whether you are with us for just a week or every week this summer, our staff is committed to make each week memorable through building healthy friendships and reinforcing the YMCA Core values of **Caring, Honesty, Responsibility, and Innovation**. We do this through age-appropriate games, crafts and team-building activities on site and on field trips that will hopefully give your child the feeling of camp all in a day.

To share a bit about us: Y Camp at Elkhart Elementary will have one Site Supervisor Mrs. Mari Leon this summer, along with camp aids that will ensure that your children will be receiving the best care and camp experience. Below we have provided a little bit about Me.

\*My name is Maria Leon; however, I like to be call Mrs. Mari. My favorite Food is Korean and Mexican, and My favorite color is red. I have been running YMCA summer camps for over twelve years. I have many years of experience working with children’s programs. Before the YMCA, I worked for the Salvation Army’s childcare program as a team leader, program director, and HR manager. I’ve been working with kids for over 22 years. I enjoy working with children because they’re fun, they keep me young, and I learn new things with them every day. I couldn’t be any more excited about seeing and meeting and getting to know you all this summer!

Best regards,  
Mrs. Mari Leon
