

Dear YMCA families,

My name is Alexis Gilas. This will be my 3rd summer camp year with the YMCA and I'm so excited to be doing it as a site supervisor this year! I love working for the YMCA and being able to create a space where kids can have fun, be creative and be themselves. Summer camp is a place for you to come have fun express yourself and experience new things! I love being able to help kids find what they love to do and help them expand on their skills. The Excel team is so excited to meet all of our campers this year and make it a year to remember.

This year with will have Corden, Leighton, Addie and Myself as our staff! Emily will also be with us running out morning care program. We are also striving to make this a memorable summer for all!

Some things to know before attending the Excel summer camp:

We have a lane in the front of the school that pulls up right by the glass door that leads to the cafeteria, this is where you will be picking up and dropping off kids. You can come to the door and ring the doorbell!

As summer camp is approaching please make sure you have all the emergency paperwork forms are filled out any medications are current, labeled, and signed ready to go for the start of camp.

We are prepping and preparing for the next few weeks to make sure everything is all ready to go for you and your kiddos this 2024 summer!

-Alexis Gilas
