

Happy summer to you all and welcome to Morey YMCA summer camp!

I am Ryan Hisamoto. I am excited to get to know all of you this summer. We have a ton of different things planned like art and stem activities as well as some time to get physically active playing different games.

There are also 2 different field trips per week, one swimming and some other kind of activity that would take us off site for most of the day.

A little about me and my staff Kemani. Kemani and I have worked summers together for the past 3 years and I can say we work together well and have a good working relationship. Together we know how to run a fun as well as a safe experience for your child. Some more about me this is my 5<sup>th</sup> year with the YMCA and my first year as a site supervisor. I'm excited to be in this position and plan this summer for your child.

Some important news I just learned is that our field trip plans have changed. We are following the Downtown YMCA schedule those field trip days are on Tuesdays and Thursdays. Please reach out if you have any questions my email is [RHisamoto@denverymca.org](mailto:RHisamoto@denverymca.org).
