

Y Families!

My name is Ethan Swaim, and I have been here with the Y for 11 years now, and my favorite part of the whole experience is of course Summer day camp! I have been in and out here at Shelton my entire career, so it is great to be back running the summer at Shelton! I am also an elementary teacher as well, and we have quite the amazing crew this summer! We will have Gracie and Troy who have worked all school year with me, along with Chloe, Avery, and Carly to also make for a dream team of staff!

Chloe comes from Peak OST, a very well-run location; Carly is coming from experience as well and this OST she was in preschool at Mountain Phoenix with a notorious supervisor, and Avery will be brand new but recommended by Troy and Gracie! I am so excited to have this team this summer.

Camp is about finding your passions and I love doing that in and out of the classroom. This summer we have upgraded field trips, staffing, and are ready to set sail on this wonderful couple of months. Please at this time make sure all emergency paperwork is filled out, medications are current, labeled, and signed off ready for camp, and that your kids are ready to do a variety of activities that will hopefully develop a love and passion in this world.

This summer we will be doing things differently for drop off and pick up. Long gone are they days of walking to the doors by the dumpster, instead we will do hug and go style. You will stay in your car and our openers/ myself will be coming for you to sign children in and out. They will then be escorted to the cafeteria by staff members! At pick up we will call for your kids and they will come to you with all of their belongings, hassle free for you all! Make sure to follow the signs and cones the first day to get the flow! If you have questions feel free to contact me.
