The screenshot shows a web interface for a fundraiser page. At the top, it says "Fundraiser Page" and "Support the Denver YMCA on Youth Sports Giving Day". Below the title is a large "the YMCA" logo. To the right of the logo, there's a fundraising goal section showing "\$0" raised by "6 people" out of a "\$1,000 goal". There are buttons for "Duration", "Donate", and "Share this page". Below the goal section, there are options for "Use of funds chart" and "Giving Activity". A sidebar on the left is titled "DASHBOARD" and includes a "Story Page" button and a "Checkout" option.

7. Navigate to the “Checkout” drop-down menu on the left side of your screen to edit your Donation Form, Thank-you Page, and Donation Receipt.

Thank you for your support to get more kids playing sports! As we know at the YMCA, organized sports play a vital role in shaping the lives of kids. Research shows that children who consistently engage in sports enjoy enhanced academic achievement; higher self-esteem; better mental, behavioral and physical health outcomes; greater life skill and leadership capacity; and larger earnings later in life. Additionally, the YMCA's deliberate efforts to build connections among families involved in our sports programs result in lasting relationships and a stronger sense of community, enriching the lives of everyone involved.
